Harrow Way is a vibrant, successful and popular school reflecting our very strong performance and upward trend in examination outcomes.

This successful and oversubscribed school is looking to appoint a talented and inspirational Teacher of Music, to cover a maternity leave initially.

We are seeking the skills of someone who can teach Music to KS3 and KS4.

The successful candidate will be creative and challenging in their teaching. They will be passionate and committed to ensuring students maximise their potential and achievement. We would expect the successful applicant to deliver extra-curricular provision and also contribute to larger events and productions.

This is a fantastic opportunity to join a very successful and collaborative Performing Arts team in a very successful school.

The school has a modern and well equipped Music Room plus separate practice rooms with a large range of instruments. Music is popular with our students and highly regarded by the wider school community.

If this excites you, we would love to hear from you.

Visits to the school by prospective applicants prior to application are encouraged. To arrange such a visit, or for an informal discussion regarding the post, please contact Mrs Tracey Roberts, School Business Manager, on the above number. Application packs are available for download from the school website.
