TERMS AND CONDITIONS FOR CHILDREN'S MUSIC LESSONS

The rate for 2023-24 is £7.30 per 20 minute session

The total cost per term is £80.00

- School terms are of variable length and are usually more than 11 weeks long. Our intention is to average 11 lessons per term. We aim to teach a total of 33 lessons each academic year.
- There may be occasions when your child is unable to attend a lesson (for example sickness, school trips, other eventualities). As these occasions are beyond our control we cannot offer any credit or refund, but will do our best to accommodate changes and re-arrange a lesson if given at least 24 hours' notice, e.g. for a doctor's appointment.
- If a pupil is absent for longer than four weeks due to illness or injury, this will be treated on a case by case basis.
- Missed payments without any explanation may result in your child losing their slot.

Cancellation Policy

- We will timetable a lesson and you will be charged for all lessons until you give us notice in writing. We must have half a term's notice in order to cover our costs.
- To cancel lessons for the end of the half term, notice is required by the last Friday before that half term begins. For example: To finish at the end of the Spring Term – notice must be given by the final Friday of the February half term.

If Lessons are cancelled by the School

- If a pupil misses a lesson due to a school INSET day or because the Teacher is not available, then this lesson is made up later in the term. In most cases, we are able to make up for any missed lessons in this way and deliver 11 lessons each term.

- We monitor the number of lessons delivered for every Teacher each term. If we are unable to deliver 11 lessons in a term, we will automatically correct this. We will either deliver an extra lesson the following term, or we will credit your account.
- If you think your child may have missed a lesson or has not received 11 lessons in a term, and you have not been credited or given extra lessons the following term, please contact us so that we can check our Peri Music Teacher Register.
- We cannot be liable if a lesson has to be cancelled due to Force Majeure (war, civil war, armed conflict, terrorist attack, government action, fire, flood, severe weather conditions, pandemic or epidemic or any other matter that is beyond our control). In this event we will endeavour to resume lessons as soon as possible. Information on the resuming of these lessons will be made available as soon as possible.

First Payment of the Academic Year.

You will be issued a bill after your child's first few lessons in September (lessons usually start in the second week of school) and payment will be expected within two weeks after that date (date to be included on the invoice).

If you have any concerns about payments or otherwise, please don't hesitate to contact me.
